

LIFE CERTIFICATE SUBMISSION PROCEDURE

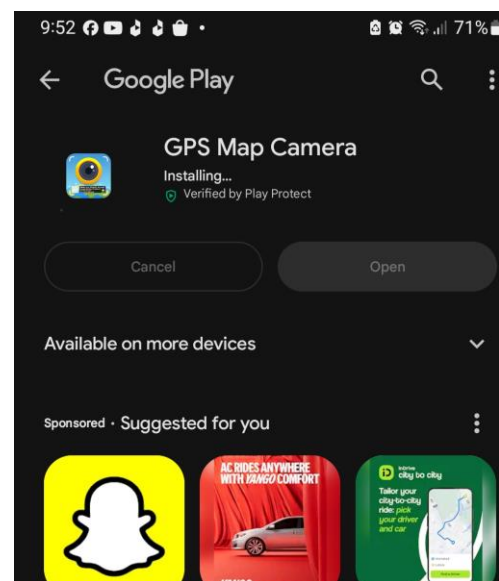

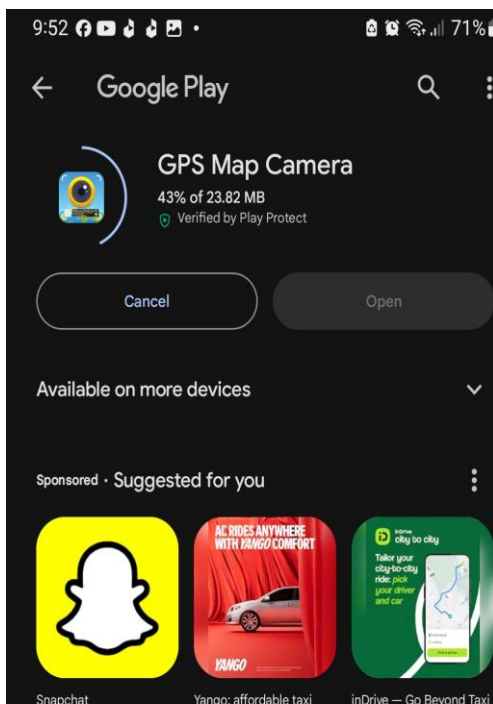

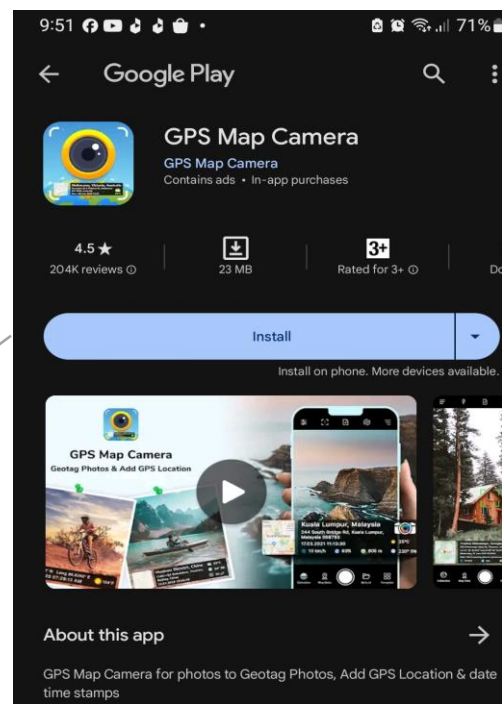

In order to submit pensioners' life certificate, it is required to download and install (1 time process) the following app.

GPS Map Camera

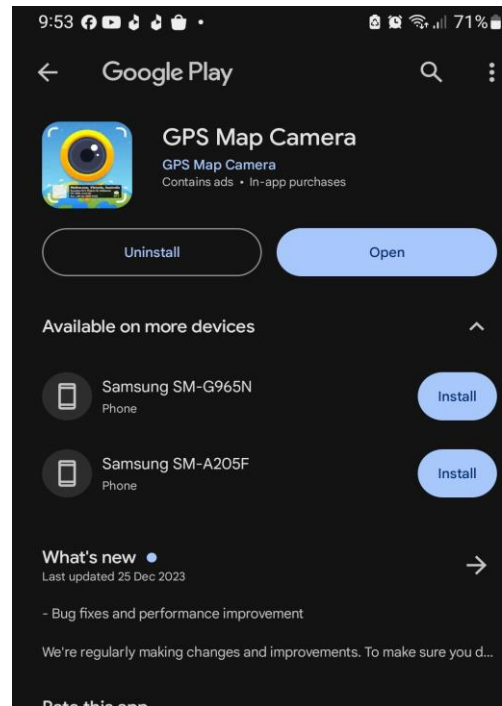

1. Open PTET website (www.ptet.com.pk)
2. On home page go to download section
3. Download the **"digital life certificate app"**

Follow the following steps to install this app:

Double Click the downloaded app and follow as per following screen shots

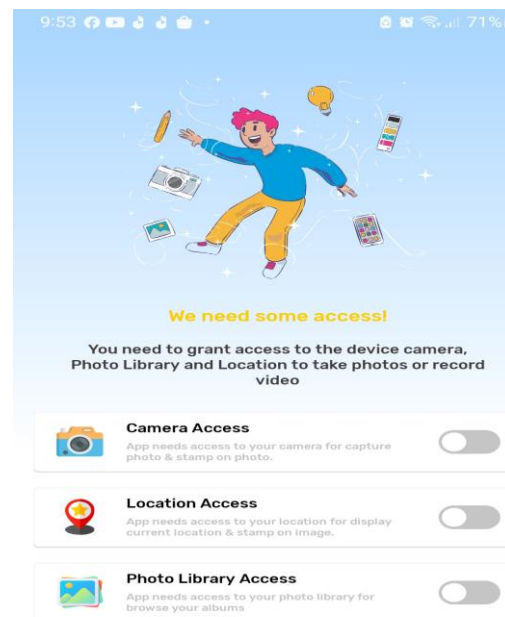

After installation of GPS Map Camera app following window appears. Now click on open to start the app.

On start of app you have to allow:

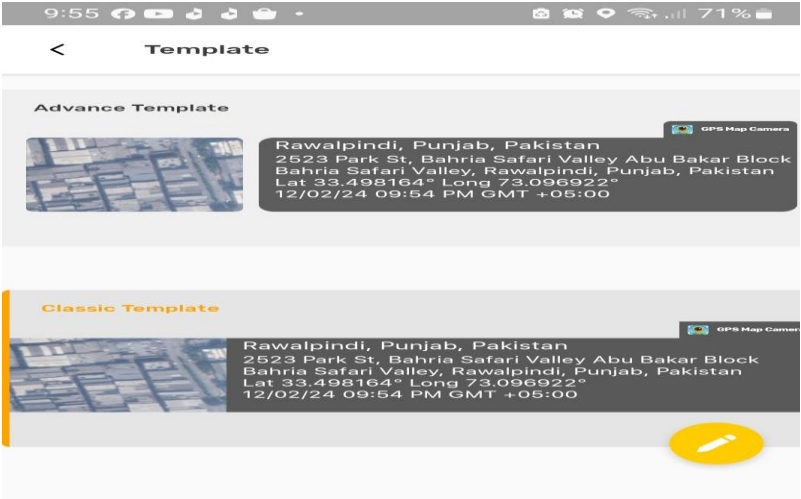

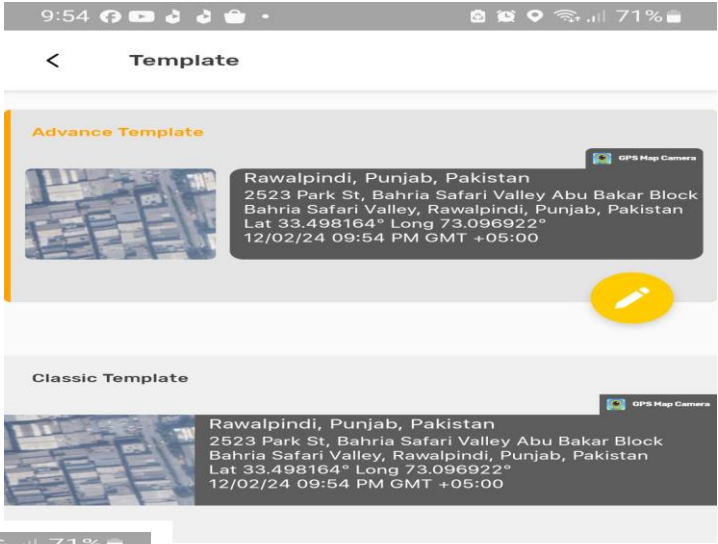

1. Camera Access
2. Location Access
3. Photo Library Access.

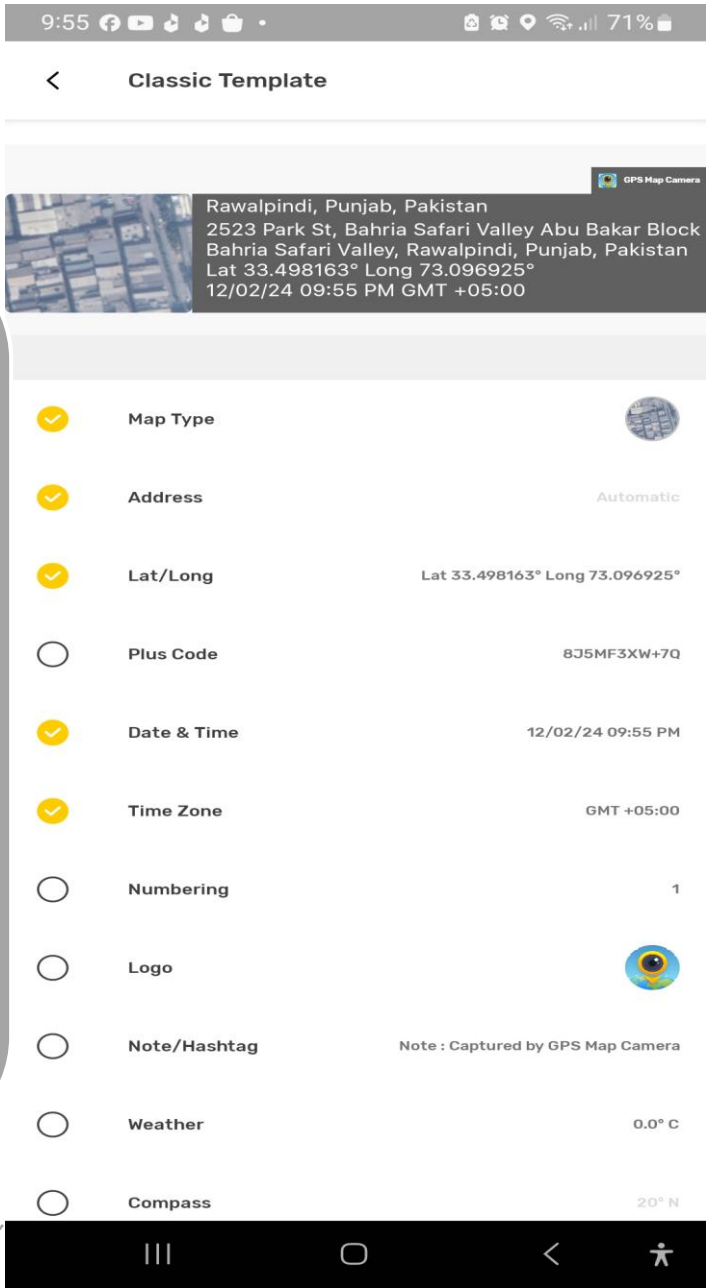

Click on red circled (Templates) in bottom right corner of image. Template window appears.

You have to select Classic Template

In Classic Template click on Edit button (Yellow circled link).

Check (tik) the following options:

- Map Type
- Address
- Lat/Long
- Date & Time
- Time Zone

After above options check the Note / Hashtag option

Replace the text "Captured by GPS Map Camera" with Pensioners complete name along with PPO No e.g. Umer Hayat (VSS-08/PTET-12345)

Replace the text "Note: Captured by GPS Map Camera" with Pensioners complete PPO No e.g. VSS-08/PTET-12345

Now press **ADD** button to save pensioners' information.

Note/Hashtag

Title

Note :

Notes

Captured by GPS Map Camera Write Pensioners Name here

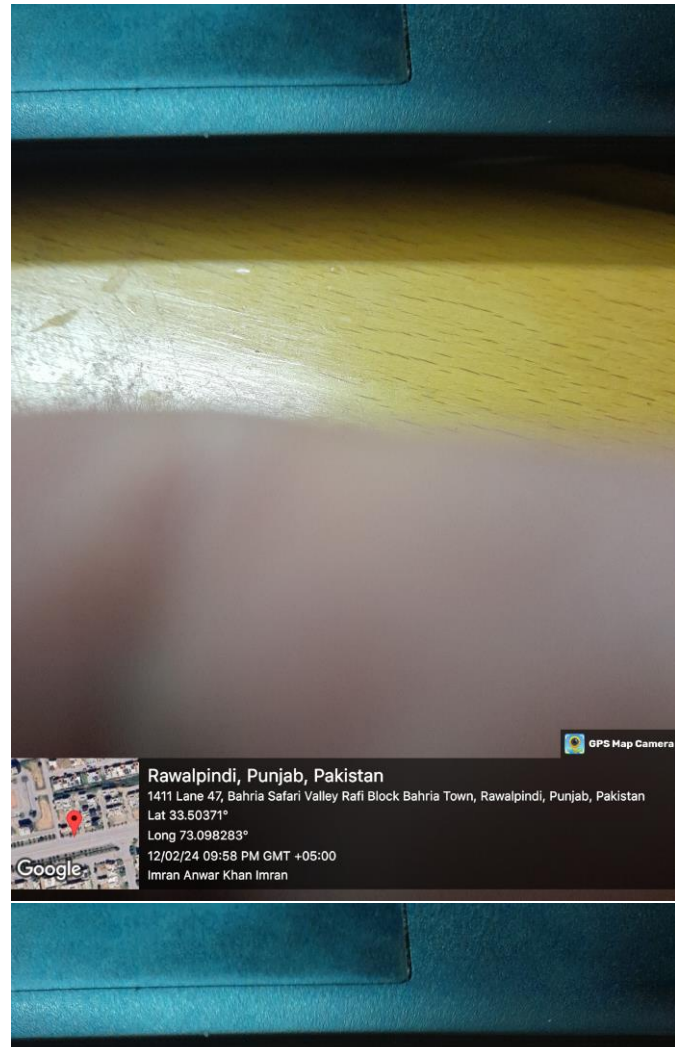

Add

Recent Added Note

Note : Captured by GPS Map Camera

After adding info in Note/Hashtag, on next window you will get all information on SELFIE screen.

It is required to take your selfie from this app on every year 1st March and 1st September and forward the same to PTET on following Official WhatsApp number 0334-1117838 from your registered WhatsApp number with PTET.

This will be considered as your life certificate in PTET, however you have to submit your life certificate in your bank as per their requirement.

Thanks!
